YESTech, Inc. Names Scott Roberson Regional Sales Manager

San Clemente, CA – March 18, 2008 – YESTech, Inc., a leading provider of yield enhancement solutions for electronics manufacturers, today announced that Scott Roberson has joined YESTech as Regional Sales Manager, effective March 2008. Roberson, in this new role, is responsible for managing sales activity in the Southern United States as well as overseeing YESTech's new AOI product line for microelectronics applications.

Roberson brings 21 years of engineering and sales experience in the semiconductor and PCB industries. his new role will be a valuable addition to YESTech's growing sales and support infrastructure. "I'm very excited to join the YESTech team of sales professionals." said Scott.

"Scott is a great addition to our sales team," said Troy Johnson, VP of Sales of YESTech, Inc. "His engineering background and extensive experience with supplying quality assurance solutions for the microelectronics industry is an asset to our organization. We're delighted to have Scott onboard our team," said Johnson.

Prior to joining YESTech, Roberson was the President of Sertek Inc. for fourteen years. where he managed all facets of sales. He also worked with WEB Technology Inc. for seven years designing backend test equipment for the semiconductor industry including environmental testing of advanced packaging devices. Roberson is a graduate of Texas A & M University with a B. S. degree in Engineering.
